Credit Card Number & type:

Exp. Date ____/____/____

Security Code: _____ (3 digit)

Signature _____

*Please renew my commitment automatically for _____ years.
(1,2,3)*

My contribution is an investment in our future leaders.

The Sisterhood Society is a special program designed for collegiate members of Theta Phi Alpha who support Theta Phi Alpha Foundation with an individual gift. With a contribution of \$19.12 or more directly to Theta Phi Alpha Foundation, you become a contributor to the charitable efforts of the Foundation providing educational and philanthropic resources.

Chapters benefit from the Foundation's efforts from several programs offered:

- Leadership Consultants provide workshops and programs geared to chapter needs.
- Theta Phi Days provide educational programs to benefit collegiate chapters on a regional basis.

- Officer Leadership Training (OLT) programs are funded in partnership with the National Fraternity to provide training and networking opportunities to new chapter leaders annually.
- National Convention speakers and workshops.
- The Siena Medal, the highest award given to a non-member by the Fraternity. The Foundation grants a donation on their behalf.

For your contribution, you receive a custom-designed dangle to wear with pride on your membership badge. Each year, we offer you an additional charm to recognize your years of membership in the Sisterhood Society.
