Please email the staff member above to create an individual plan.

**How should we host virtual meetings?**

This will depend on how much and what business your chapter still needs to conduct at the time that in-person meetings and activities are cancelled. For example, if you have already presented your chapter budget and simply need to vote this may be best conducted via email. Conversely, if you need to present the budget this might be better accomplished via web conference. Work with your chapter advisor to determine the best option for your chapter in the event that activities and meetings are cancelled.

**What should we do about chapter dues and fees if activities are cancelled due to COVID-19?**

Chapter officers should work with their finance advisor and chapter advisor, to determine if it is appropriate to pro-rate and refund dues. Chapters should consider the amount of activities that have already been offered during the academic term to make determinations about appropriate pro-rate/refund amounts.

**We have members returning from study abroad, what should we do?**

Members returning from study abroad should follow guidance from the college/university's study abroad office regarding returning to campus.

**Will members returning from abroad due to college/university recall be charged for national dues and fees?**

No.

**What if my chapter had events planned for Spring 2020?**

We encourage you to reach out directly to all venues and vendors to notify about potential event cancellations and inquire about deposits to ask if funds can be transferred to a future date for the event. MJ Insurance provides advice on contracts which can be [accessed through their website](#).

**Will Theta Phi Alpha's National Convention still be occurring in July 2020?**

We are continuing to monitor the situation closely. At this time, Convention will still go on as planned.
