Theta Phi Alpha Announces Ginny Carroll as Siena Medalist

BAY VILLAGE, Ohio – Theta Phi Alpha is proud to announce Ginny Carroll as the honored recipient of the 2018 Siena Medal.

Ginny Carroll is passionate about empowerment, education and being a sorority woman. Not only does Ginny have her own consulting business which focuses on helping non-profit organizations build capacity but, she also founded a charitable organization in 2010 – the Circle of Sisterhood Foundation - that works to provide opportunity through education to girls and women

around the world.

The Circle of Sisterhood is focused on leveraging the influence of sorority women across North America to remove barriers to education and strongly believes that educating and empowering girls will shape current and future global, economic, and social prosperity. The sorority community, as one of the most educated communities of women in the world, should be - and is - part of the solution to the global crisis in girls' education. Ginny currently serves the Circle of Sisterhood as the Executive Director.

Prior to establishing her consulting business in 2001, Ginny worked for a software company in product development and prior to that, spent 15 years working for her national sorority – Alpha Xi Delta. Ginny is a sorority woman who truly believes in the value of the sorority experience and the power of the sorority community to make the world a better place for girls.

Since 1937, the Siena Medal has been awarded to outstanding women who are leaders in business, education, the arts, and humanitarianism. Past recipients include Loretta Young, Phyllis McGinley, Augusta Trapp, Nancy Brinker and Elizabeth Smart. This July, Ginny will be attending the 2018 Theta Phi Alpha National Convention in Pittsburgh to formally receive her award.

Founded in 1912, Theta Phi Alpha is a women's organization whose mission is to provide close comradeship; to advance educational, social, and philanthropic interests and leadership training; to encourage spiritual development and adherence to the highest moral standards; and to promote lifelong bonds of friendship. A fraternity for collegiate women and alumnae, Theta Phi Alpha was founded at the University of Michigan in Ann Arbor. Today there are 57 active collegiate chapters, 34 alumnae associations and four alumnae clubs in the United States.
